OUR MISSION

The Massachusetts Society of Radiologic Technologists (MSRT) is a not for profit organization dedicated to the professional growth and development in the Radiologic Sciences. The Society is committed to the advancement of radiologic technology by promoting high ethical standards, improving the quality of patient care, maintaining the standards of education, and providing quality continuing professional development opportunities for all medical imaging and therapy professionals.

The MSRT is committed to equal opportunity and nondiscrimination in all programs and activities and complies with all State and Federal Non-Discriminatory Guidelines. This includes but is not limited to opportunities or benefits on the basis of age, sex, color, race, creed, national origin, religious persuasion, marital status, sexual orientation, gender identity, military status, political belief or disability.

PURPOSE

The purpose of the Massachusetts Society of Radiologic Technologists shall be to advance the science of radiologic technology ensuring that all citizens receive quality medical imaging and radiation therapy care by qualified and competent Radiologic Technologists.

The MSRT represents more than 7000 medical imaging and radiation therapy professionals who see thousands of patients each day. Our membership includes;

- Staff technologists, interacting daily with patients
- Decision makers, including administrators, managers, supervisors and chief technologists
- Student members who are the future of our profession

Every specialty is represented – radiography, mammography, computed tomography, radiation therapy, magnetic resonance, nuclear medicine and more.

Connect with the largest association in the state specifically for radiologic sciences professionals. We can help you reach your most important customers.

Sponsorship Opportunities

The MSRT offers educational opportunities throughout the membership year. We offer ½-day seminars where technologists can accrue four continuing education credits as well as an annual conference, our showcase event. We will be celebrating our 88th Annual Conference in 2019 where we will offer up to 14 continuing education credits for technologists, a three-day jeopardy style competition in which students compete, a cocktail hour & a student t-shirt contest.
