\$15,000 sign-on bonus eligible for Full Time Positions

Who We Are:

Here at The Elliot, we truly care about our patients, and providing quality care! Our team is filled with motivated professionals who are always willing to lend a hand and provide support where needed. We are looking for another motivated, hardworking, fun technologist to join our department! If this sounds like you, we encourage you to apply!

About the Job:

The practice of radiography is performed by a segment of health care professionals responsible for the administration of ionizing radiation for diagnostic or therapeutic purposes. A radiographer performs radiographic procedures and related techniques, producing images for the interpretation by, or by the request of, a licensed independent practitioner.

What You'll Do:

- Performs radiography procedures based on the American Society of Radiologic Technologists (ASRT) "Radiography Practice Standards" and the ASRT "Code of Ethics"
- Understands and adheres to departmental exam protocols
- Actively participates in quality control and quality assurance activities using the "APIE" model.
- Performs venipuncture
- Prepares, administers, and documents activities related to contrast

Who You Are:

- Completion of formal Radiological Technologist training from an AMA approved school
 - Twenty-four month clinical internship required
- Board of Medical Imaging and Radiation Therapy, Required
- ARRT certification, Required
 - ARRT eligible candidates will be considered for hire with the expectation that certification will be obtained within 12 months of hire
- Ability to obtain BLS qualification during orientation period and maintain during employment
- Experience with Epic, Preferred

Why You'll Love Us:

- Health, dental, prescription, and vision coverage for full-time & part-time employees
- Short term, long term disability, Accident insurance, & life insurance
- Tuition Reimbursement
- Referral bonuses
- Accrued earned time for full-time & part-time employees
- 403b Retirement plans, with generous employer contributions
- And more!
