[Full Job Posting Description #78966BR](#)

At Boston Children's Hospital, the quality of our care – and our inclusive hospital working environment – lies in the diversity of our people. With patients from local communities and 160 countries around the world, we're committed to reflecting the spectrum of their cultures, while opening doors of opportunity for our team. Here, different talents pursue common goals. Voices are heard and ideas are shared. Join us and discover how your unique contributions can change lives. Yours included.

\$10K - 15K sign on bonus for eligible new hires

To qualify, you must have:

- An Associate's degree in Radiologic Technology is required.
- The analytical skills to resolve complex problems requiring the use of scientific, mathematical, or technical principles and in-depth, experienced-based knowledge.
- MA Radiographer license and ARRT certification is required.
- The ability to communicate effectively both orally and in writing and provide empathy in difficult interpersonal situations.

Boston Children's Hospital offers competitive compensation and unmatched benefits including flexible schedules, affordable health, vision and dental insurance, childcare and student loan subsidies, generous levels of time off, 403(b) Retirement Savings plan, Pension, Tuition and certain License and Certification Reimbursement, cell phone plan discounts and discounted rates on T-passes. Experience the benefits of passion and teamwork.

Boston Children's Hospital requires all employees to be vaccinated against COVID-19 and Flu, (unless you are eligible for a medical or religious exemption).

Boston Children's Hospital is an Equal Opportunity / Affirmative Action Employer. Qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, sex, sexual orientation, gender identity, protected veteran status or disability.
